THE LATEST TECHNOLOGY.

The available next-generation Chevrolet Infotainment System lets you customize the system to your needs and sync up to 10 devices via Bluetooth® as well as allowing you to enjoy Apple CarPlay™ support.¹ Stay connected with your hands safely on the steering wheel using Bluetooth® wireless technology. Simply pair your compatible Bluetooth®-enabled smartphone with Chevrolet Infotainment System or connect through one of the six available USB ports, and you can have access to your entire contact list, personal playlists and select mobile apps.

A PREMIUM INTERIOR.

The interior of Tahoe sets it apart from the crowd. Inspired by the craftsmanship of high-end wristwatches, the appearance of the instrument cluster is both intricate and refined. The spacious interior offers seating for up to 9 passengers and an incredible 2,682L of versatile cargo space. The center console offers up enough space to easily store a laptop and the available 8-inch diagonal color touchscreen slides up to reveal a lockable storage space behind the display to keep mobile phones, wallets or other valuables.
